

The Raynham Historical Society Presents:

Bob Frishman

Exploring Rufus Porter Artist, Inventor,
Journalist; 1792-1884

Join us at the Hannant House on
Saturday October 15, 2022, at 2pm.

6 Pleasant Street, Raynham MA

Guests are invited to bring one clock
or watch to the event where Bob will
give an informal appraisal (no battery
operated) after his presentation.

Pictured above: Bob Frishman

Bob Frishman has repaired, restored
and sold antique clocks for nearly
forty years. In 1992, he founded
Bell-Time Clocks, named after a
Harper's Weekly engraving by
Winslow Homer depicting New
England mill buildings and
workers. Having scaled back his clock
repair and selling activities, he now
devotes most of his time to research,
writing, lecturing, and conference
organizing.
